

have you heard about the

NEW HOPE YOUTH Campaign?

the diocesan youth council has a goal of raising \$7,000 by June of this year
for the New Hope Campaign, to benefit our brothers and sisters in

our companion diocese of Kajo-Keji

why do we want to do this?

°°°

because **9 out of 10** people in Kajo-Keji **don't own** even one **pair of shoes**

because **\$5** can buy a medical kit for a family that will last **3 months**

\$10 can provide a bed net that will **protect** a whole family from malaria

because **\$120** can buy **school** kits and uniforms for **50 children**

the **money raised** by the youth of our diocese will be
directed especially toward our **fellow youth in Kajo-Keji.**

the money we raise will **help countless children & teens**

go to school and can help the schools there to have the supplies they need.

°°°

so we're asking the **6-12 graders** of our diocese to

consider making a donation of **\$50** by the end of the school year

°°°

that's only **2 nights** of babysitting or **3 lawns** mowed
or an **afternoon or two** of cleaning out grandma's attic :)

°°°

\$50... that's **3 CD's** you wait to buy until later in the summer
or **renting movies for a couple of months** to watch with your friends

instead of going to the cineplex

that's a **pair of jeans** and a **sweater**

that's a **pair of shoes**

°°°

if you can't give as much as \$50, **no problem** - give what you can

if you can give more than \$50 - **that's great!**

so please donate, and let it be for you a way of giving back something small
to some **people God loves** so much -- because you can,

because of how much **God loves you** and how much you have in your life
